

Rendezvous Auction

Donations!

YES! We need donations. Chapters usually donate an item, but most of our items come from individual members, like YOU!

Bring your donations to Rendezvous any time on Friday 3/17 or Saturday 3/18 until noon.

Items are tax deductible. We need:

- Donor's name
- Donor's address
- Estimated value of the item

Items should be new or very gently used. Horse and camping related items sell best, but we will accept other items too.

If you want to see your item listed on this site, send a description and (if you have one) a **photo** to Missy Day, mssd134@gmail.com.

How it works:

There are three auctions: Bucket, Silent and Live. The auction committee will place items in the sale they feel will raise the most money.

The Bucket auction:

You will receive Bucket Auction Tickets in your packet if you registered early. You can also buy Bucket Auction Tickets. Place your ticket(s) in the bucket next to the item you hope to win. Winners will be selected by drawing a ticket from each bucket. Just present your winning ticket to collect your prize.

The Silent Auction:

Auction items will be distributed with an accompanying bid sheet. Just outbid the last bidder. The Silent auction will close all at once and bid sheets will be collected.

The Live Auction:

Items in the Live Auction will be displayed as a group. The auction will run during and after dinner. Live bids will be taken from the floor.

Paying For your Items: Cashiers will take payments in cash, check or credit card.
