

"Special Opportunity: Have Coffee and Personally Visit with the TrailMeister"

(June 8th, 2019, at the Haefligers, 400 SE Kalium Dr., Shelton, WA. 98584)

Don't miss the chance to visit with Robert Eversole (the TrailMeister) and Ruger the Wonder Mule, also in attendance will be their illustrious sidekick the pack mule Ellie.

Robert will be at the Haefligers for a visit, which offers a great chance to come by and have a personal visit in a more relaxed setting, than one normally has at his many informative and entertaining workshops.

This is the chance to ask all of those questions that you have mentally been building up for such an opportunity. However, it is not just limited to trail locations, but includes stock camping, packing, tooling for back country adventures, and land navigation with some of the latest devices. Basically, anything that will help to get you and your horse or mule riding and using the back country safely.

As a special attraction, Robert and Ruger will be showing off and explaining the features of their new trail saddle from the "www.threebellsmules.com", this is a good time to check out a really neat saddle.

This event will begin at 10 am. It will be held in a covered carport. It is important that you dress for the weather and bring a chair; in addition, a light lunch will be provided by the hosts.

>>>>> A limit of 20 guests and an **RSVP** is necessary to confirm. Contact Ed Haefliker 360-427-4297, mtcanary@msn.com.
