We need volunteers for camp and trail work. Tasks include: brushing/swamping, blowdown removal (sawyers needed!) and cleanup of campground/sites. Something for everyone! Bring gloves, appropriate attire. Tools, PPE's provided (Sawyers need to bring their own saw/PPE)

If you bring stock be aware that the trail may not be open for riding yet, and there will be a lot of activity in camp with power equipment running (line trimmers/blowers, saws).
